FMTA ACHIEVEMENT DAY- FEBRUARY 20th

Registration information has been sent home for the FMTA Achievement Day which will be taking place Saturday February 20. Achievement Day is a fun and non-competitive event for students that is designed to encourage, challenge and recognize the individual talents and interests of each student involved. Each student prepares two pieces to play for an evaluator, one which must be memorized. Students may choose from 2-5 of the 20 available options in which to participate. At the end of participating, students receive a ribbon for each option they have accomplished. They love collecting the ribbons! This fun event takes place at the CCU Music Campus in Lakewood, CO.

FMTA SONATINA FESTIVAL- MARCH 12th

Many students are already busily working on their sonatinas for this year's big event! The FMTA Sonatina Festival competition will be held on March 12th, 2016 at the CCU Music Building in Lakewood. Sonatina Festival is a teacher invite only event for students I feel are interested in and ready for a competitive type of activity (your student knows if they are planning to enter this event). Please look for registration forms to come home in January. The registration deadline for this event will be **February 5th**.

SPRING BREAK

Please note that the studio will be closed for Spring break from **March 14-25**. There will be no lessons those two weeks.

SPRING RECITAL- FRIDAY, MAY 20, 7:00 p.m.

Please make sure to save this date for our last event of the year! I am working on a venue for our Spring Recital, so I'll be sure to let you know where it will be as I have more information.
